Josh, please see below and attached information regarding the public information request for the six WHP Troopers assigned to the State of North Dakota. Also, Keith will be back in the office tomorrow and he may have additional information. Thanks, Kebin.

WHP Special Services Squad Members,

Please see the attached deployment memorandum for the North Dakota Resource Request to assist with situations involving civil unrest and criminal activities related to opposition of the Dakota Access Pipeline (DAPL) project, primarily in southern Morton County North Dakota (Mandan/Bismark area). Other attachments include an intelligence briefing, signed agreements, additional time sheets required by the agreement and mission authorization forms. I am including the entire Squad in this message in preparations for potential future deployments.

Thanks again to Troopers [REDACTED] for your willingness to deploy and serve. Be safe gentlemen.

Best regards,

Keith

Thank you. We are also getting information for another ND request. I'll run it all by the AG's office before we release anything.
