All,

I have received the signed documents and directives from North Dakota. I will be working on a formal memorandum with detailed instructions for this ND deployment and hopefully get it out this afternoon. But I wanted to give you all notice that the mission dates are October 23 - November 7, 2016 with 10/22 and 11/8 being travel dates to/from so you can plan accordingly. Again, all details will be forthcoming in a formal letter. I will continue to include the entire Squad with these directives, in case we have another future follow up deployment.

Thanks again to the officers willing to serve in this deployment and assisting a fellow agency.

On Wed, Oct 12, 2016 at 5:17 PM, Keith Groeneweg <keith.groeneweg@wyo.gov> wrote:

WHP Special Services Squad Members,

As you know, North Dakota has been experiencing some protesting along the pipeline project. Their Governor has declared a State of Emergency and is asking for assistance from surrounding states. Governor Mead has approved this request and the Wyoming Highway Patrol would like to send assistance. We are soliciting interest from each of you due to your specialized training, equipment and experience. Due to the length of time required, the potential hazards (a few security guards have been injured by protesters, but no LE officers have been thus far) and being out of state, this detail is strictly voluntary - meaning you are not being directed to participate. You will be fully compensated (including overtime) and all expenses will be covered by the agency. The Patrol will be reimbursed through the agreement.

If you are interested in participating, DO NOT complete the form in the message at this time. Rather, respond to me by the close of business on Friday, October 14, 2016 via email and include your chain of command and the Squad Commanders. Once we see the number of responses, we will decide how many of you will be sent at this time. We may send some now and some at a later date if the need is still in place, and keeping in mind the need for coverage in our own State/Divisions. I will be getting input from supervisors and the Squad Commanders in making this determination.

This is a short timeline to respond, so Lieutenants/Commanders/Team Leaders, please notify your troops ASAP to get a response from every Squad member, one way or the other.

Thank you in advance for your commitment to the agency, the Squad, and your willingness to serve another agency in need.

Mr. Oedekoven,

Please see the below email for dissemination to Wyoming law enforcement agencies.

Thank you for your assistance with this.

Casi

This afternoon, the State of North Dakota has provided a resource request through the Emergency Management Assistance Compact (EMAC) system requesting sworn law enforcement personnel. The mission is to assist with situations involving civil unrest and criminal activities related to opposition of the Dakota Access Pipeline (DAP) project, primarily in southern Morton County North Dakota (Mandan/Bismark area).

As the administrative agent for the Governor's office for EMAC, our office is forwarding this opportunity to sworn law enforcement agencies across the state. This mission is entirely voluntary.

Desired deployment length: 21 days, 14 day minimum (possibly 10/16/2016-11/7/2016 or later)

Agencies will be reimbursed wages, to include overtime, and travel expenses but not back-fill at home stations. Lodging and on-duty meals will be provided, per diem will be provided for off duty meals during the reimbursement process. Travel expenses will be included in the offer to North Dakota including GSA mileage, travel time and travel per diem.

Additional Information: Officers may experience extended periods of exertion, and should be physically fit and prepared to operated in an outdoor environment with unpredictable weather. Portable radio communication will be provided by North Dakota law enforcement.

Should your agency be interesting in providing personnel please fill out the information form:

https://docs.google.com/a/wyo.gov/forms/d/e/1FAIpQLSc9LDeYaXytlZOnvQ7HeE13WdnnHEi09fgGpn8VWLM16AsoQ/viewform?usp=send_form

This situation is time sensitive, please provide a response by close of business (1700 hrs) Thursday October 13, 2016.

Should you have any questions, comments or feedback, please contact:

Colonel Haller and WHP leadership,

Our office has received a signed authorization from Governor Mead to proceed with this mission. The next steps will be as follows:

1. Prepare an official EMAC offer to North Dakota
2. North Dakota will accept or reject the offer
3. The entire mission package with deployment date and lodging arrangements will be provided to each of you for mobilization.

At this time, we are in a holding pattern until we can make the offer in the morning (10/18). I will include reimbursement instructions with the mobilization packet as well as point of contact, staging location etc.

Please do not hesitate to contact us if there are any questions.

Major Groeneweg,

I will absolutely be able to meet this request. We (the Criminal Intelligence Team) are keeping an eye on the situation. In fact the below link is another development into protestor activities.

http://www.democracynow.org/2016/10/11/breaking_activists_reportedly_shut_down_five

Also, for Troopers on the deployment if you want to advise them to save my cell number in their phones. Any information... NCIC, subject workups, etc. they can call me, text, or request information anytime and I will get it to them ASAP.

On Fri, Oct 14, 2016 at 1:24 PM, Keith Groeneweg <keith.groeneweg@wyo.gov> wrote:

Good afternoon Squad Members,

Thank you for responding to this correspondence in a timely manner. And thank you to Troopers [REDACTED] who have volunteered for this initial deployment.

I have spoken with OHS Director Guy Cameron today. He shared with me a PowerPoint file that he received from a briefing. This can be downloaded and viewed here [DAPL Briefing PowerPoint](#). This is law enforcement sensitive, so please keep this information secure. It is a large file to download. Director Cameron advised that North Dakota currently expects this ongoing unrest to continue for at least another 45 days. I am sharing this message to include the entire Squad so those of you who have volunteered to deploy at a later date should begin planning accordingly.

The next step with this first deployment is for us to complete the Google Form. As soon as I can secure the necessary salary information from WYDOT Payroll/HR, I'll give further instructions on completing the form. OHS will use this information from all responding agencies to prepare the agreement between Gov. Mead and the State of North Dakota. Director Cameron expects the submission to North Dakota early next week. Once the agreement is signed between both states, officers will deploy to North Dakota. The actual deployment date is still unknown, but it could be as soon as Wednesday. We are asking for you to be flexible and ready.

Tpr. [REDACTED] will act as team leader for this first deployment. Capt. Dickerson will be the point of contact for the team while they are deployed. This will allow him to prepare for the 2nd teams deployment. Point of contact and lodging arrangements in North Dakota have not yet been disseminated. You will be driving your patrol cars. I will try to work on fuel arrangements while you travel between now and when you deploy. Lt. Ramsey advises we have [REDACTED] here in Cold Storage. Tprs. [REDACTED] should coordinate to take the [REDACTED] to North Dakota and deliver a [REDACTED] to Tprs. [REDACTED]. I will ask our Intel Analyst to keep abreast of this event and share information as well.

Thanks again to each of you willing to serve. I will continue to pass on additional information and Intel as it becomes available. Please, be safe.

On Wed, Oct 12, 2016 at 5:17 PM, Keith Groeneweg <keith.groeneweg@wyo.gov> wrote:

WHP Special Services Squad Members,

As you know, North Dakota has been experiencing some protesting along the pipeline project. Their Governor has declared a State of Emergency and is asking for assistance from surrounding states. Governor Mead has approved this request and the Wyoming Highway Patrol would like to send assistance. We are soliciting interest from each of you due to your specialized training, equipment and experience. Due to the length of time required, the potential hazards (a few security guards have been injured by protesters, but no LE officers have been thus far) and being out of state, this detail is strictly voluntary - meaning you are not being directed to participate. You will be fully compensated (including overtime) and all expenses will be covered by the agency. The Patrol will be reimbursed through the agreement.

If you are interested in participating, DO NOT complete the form in the message at this time. Rather, respond to me by the close of business on Friday, October 14, 2016 via email and include your chain of command and the Squad Commanders. Once we see the number of responses, we will decide how many of you will be sent at this time. We may send some now and some at a later date if the need is still in place, and keeping in mind the need for coverage in our own State/Divisions. I will be getting input from supervisors and the Squad Commanders in making this determination.

This is a short timeline to respond, so Lieutenants/Commanders/Team Leaders, please notify your troops ASAP to get a response from every Squad member, one way or the other.

Thank you in advance for your commitment to the agency, the Squad, and your willingness to serve another agency in need.

Good morning Kebin,

Staff will begin to put together the EMAC proposal with the salary information, lodging, meal, travel, etc and present to COS for Governor's review and signature.

This should be ready today, awaiting final go from Governor Mead and then forwarded to ND for final approval. After that, a deployment schedule will come from ND.

Guy

Guy and Bill, we currently have six Troopers who have volunteered to assist with this EMAC. All of these volunteer Troopers have the training and equipment to deal with large crowds.

While offering this type of assistance to another state in need is something new the WHP, we are both committed, as well as proud, to send some of our best to help our partners in North Dakota.

Guy, after our last discussion it is my understanding that Governor Mead authorized the dissemination of this particular EMAC request to Wyoming. As a result, it is also my understanding that Governor Mead supports Wyoming law enforcement assisting the State of Dakota with this EMAC.

Currently, we are in the process of submitting these six Troopers information electronically in the EMAC system for this North Dakota mission. Please advise our next step and process at your earliest convenience Guy.

Respectfully, Kebin.

On Wed, Oct 12, 2016 at 5:17 PM, Keith Groeneweg <keith.groeneweg@wyo.gov> wrote:

WHP Special Services Squad Members,

As you know, North Dakota has been experiencing some protesting along the pipeline project. Their Governor has declared a State of Emergency and is asking for assistance from surrounding states. Governor Mead has approved this request and the Wyoming Highway Patrol would like to send assistance. We are soliciting interest from each of you due to your specialized training, equipment and experience. Due to the length of time required, the potential hazards (a few security guards have been injured by protesters, but no LE officers have been thus far)

and being out of state, this detail is strictly voluntary - meaning you are not being directed to participate. You will be fully compensated (including overtime) and all expenses will be covered by the agency. The Patrol will be reimbursed through the agreement.

If you are interested in participating, DO NOT complete the form in the message at this time. Rather, respond to me by the close of business on Friday, October 14, 2016 via email and include your chain of command and the Squad Commanders. Once we see the number of responses, we will decide how many of you will be sent at this time. We may send some now and some at a later date if the need is still in place, and keeping in mind the need for coverage in our own State/Divisions. I will be getting input from supervisors and the Squad Commanders in making this determination.

This is a short timeline to respond, so Lieutenants/Commanders/Team Leaders, please notify your troops ASAP to get a response from every Squad member, one way or the other.

Thank you in advance for your commitment to the agency, the Squad, and your willingness to serve another agency in need.

Major Groeneweg,

I am absolutely willing to assist the State of North Dakota through my service as a Wyoming State Trooper in the Special Services Squad. Please note on October 29th, and 30th, I will be a part of the actual dedication of the Star Valley Wyoming Temple. I cant express how important and rare this opportunity is for me. I can be available prior, and most certain after the 30th of October.

Please keep me in the loop, and thanks!

Sir,

I am willing to participate and help where is needed. The only potential conflict depending upon time/dates I wanted to make you aware of is Level III Training the organization has scheduled me to complete this coming M-F, Oct 17-21.

Thank you,

[REDACTED]

Major Groeneweg,

I am available for this deployment if needed. I am currently assigned to the next K9 deployment in Rock Springs next week. I will go wherever the department needs me most.

Thank you Sir,

Sir, I would love to be a part of this deployment however I have two army drill weekends back to back on Oct 28-29 and again on Nov 5-6. That being said I will reach out to my Company Commander this morning and see if there is a way for me to either miss drill or make them up at a later date. I will reach out to you again later today once I have an answer from my Commander.

Major Groeneweg,

I request your consideration to be a candidate for this detail. I believe the only strain on the division from my absence would be October 16th, and 17th. I thank you for your consideration in this matter.

Respectfully,

[REDACTED]
