Major Groeneweg,

After speaking with Lt. [REDACTED] about Trp. [REDACTED] request, we both are supporting his appointment to the Special Services Squad. While he is still very new to the organization, he has some prior experience and demonstrated qualities that would be beneficial to this position. While I would be hesitant to deploy Trp. [REDACTED] to a North Dakota type detail or executive protection assignments too soon, I know that both Captains Dickerson and Green will ensure he is properly trained and paired with a senior Trooper until he gains the necessary experience.

If anyone has any questions, feel free to contact Lt. [REDACTED] or me.

Thank you!
