[REDACTED] I wanted to welcome you guys back home!!! It is so good to have you back safe and sound in the State of Wyoming!!! I am very proud of each of you and you should be proud of yourselves as well. You have represented our great state in a positive manner, which I very much appreciate!

I hope that each of you get the chance to unwind, decompress and settle in at home for a couple of days with your families. At some point in time in the future we will try to get you guys back together so we can debrief your experience. I for one am interested in what you went through.

Thank you again for volunteering for this detail, as well as for representing the WHP in North Dakota with such professionalism and pride! Kebin
