Keith, will you please follow up on this to determine if the individual in the attached photo was in fact an individual that was arrested, secured to a vehicle with a hood placed over his head? Thank you, Kebin.

Good Afternoon Colonel Haller:

Thank you so much for taking the time to visit with me and listen to my concerns about our Wyoming Patrol officers working with Morton County in North Dakota.

Today one of my many sources on Facebook who are covering the water protectors came across the attached photo that was posted (very clearly) by the Morton County Sheriff's office on their Facebook page. (they have since taken it down but luckily someone captured this screen shot) It clearly shows one of the protectors who was arrested over the weekend, zip tied to a vehicle with a hood over his head and face. I cannot imagine any officer in Wyoming treating an in custody so inhumanely so why are we allowing them to work with an agency that does. This looks like Guantanamo Bay. Please consider taking our officers out of North Dakota.

One again Kebin, thank you for your time,

Patty Sabon
