We will probably be sending another group in a few weeks. Once we have those names, I'll send them to you as well.  
Any help you can give would be greatly appreciated.

Good morning Budget Office,

I tried to call each of you, but was unable to reach anyone in your office. I am in need of your assistance in preparing for a deployment. The WHP is planning to send troopers to assist the State of North Dakota with the Dakota Access Pipeline (DAP) project including civil unrest and criminal activities. Available personnel will be deploying under an Emergency Management Assistance Compact (EMAC) agreement coordinated with Governor Matt Mead. Each trooper is being asked to submit a Google form to Wyoming Office of Homeland Security to help them plan accordingly. On this form they are required to provide what their hourly salary rate is, hourly rate with benefits, overtime hourly rate and overtime hourly rate with benefits (along with law enforcement equipment, etc.). Can you advise as to how these numbers should be calculated? Any assistance you can provide would be greatly appreciated.

Keith
